FOR IMMEDIATE RELEASE

Chamber Ambassadors announces July Customer Service Awardee

Maryville, MO – The Greater Maryville Chamber of Commerce Ambassadors have recognized individuals and teams that exhibit great customer service for more than a decade. Highlighting that exceptional customer service not only creates positive relationships between businesses and their customers, but also builds lasting impressions of the communities of Maryville and Nodaway County as a whole. The Ambassador-hosted Customer Service Awards are now given as a monthly recognition, enhancing the importance of customer service year-round.

In an effort to share good news and positive stories from around the community, the Chamber Ambassadors continues moving forward with the monthly Customer Service Award, which we will announce weekly, for each month that was not previously awarded. (May through August).

The winner of the July Customer Service Award is Nodaway County Sheriff Deputy, Dalton Murphy, nominated by David Baker. The nomination stated:

“During the time of the pandemic, Dalton has been a front liner in the City of Maryville, the Greater Nodaway County Area, and the State of Missouri.

He serves as a Nodaway County Sheriff’s Deputy who has tirelessly worked throughout the community to protect the citizens during a time that puts him at a far greater risk than normal.

Dalton also serves in the Missouri Army National Guard as a combat medic with the 1-129th Field Artillery Battalion located in Maryville. During the Pandemic, he was activated throughout the state to various locations to work on a mobile COVID-19 testing team.”

“Our first responders have continued to serve fearlessly with the increased risk of COVID-19”, Gentry Martin, President of the Board of Directors stated. “We are grateful for Deputy Murphy’s hard work, both here in Nodaway County and as a representative of our community to the state of Missouri through his duties as a National Guard Combat Medic. He is truly deserving of this recognition”.

If you have had a service representative go above and beyond the call of duty in assistance to you or your community, and you would like to nominate that person, please visit <https://www.maryvillechamber.com/nominations>
